My dear Miss Bascom:

I have just received a letter from R. F. Bascom,
 a drainage contractor of Lake City, Ark.

He seems to have a very meager history of his
 family. His Father's name was Isaac R Bascom who served in
 the 29th Ind., V. T. I., Co. D., he had three brothers, Silas,
 John and Vesley and two sisters, Anna and Marril.

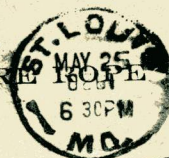

I thought this would be of interest to you as you
 are living near each other.

Very truly yours,
